

Delegation from Poland
Geothermal Energy Resources in Iceland
Visit to Iceland 2 – 5 October

DRAFT 27.09.2017

Date	Time	Name	Focus	Location / contacts
2 Oct. Monday	20:10	Arrival to Iceland To Hotel Klettur	By bus	Kristinn Jóhannesson 520-5241, 520 5200 GJ T Kristinn@gjtravel.is ok
3 Oct. Tuesday	8:30	Departure from hotel to OS	By bus	National Energy Authority Grensásvegi 9, Tel 569-6000
	9:00	OS and EEA Grants Activity, Deputy Director General Jónas Ketilsson	EEA Grants – the role of OS	OS - Víðgelmir ok
	9:30	View from the Polish Delegation Ministry of Environment	Polish Geothermal Agenda 2014 - 2021	OS - Víðgelmir
	10:00	EEA Grants Process Ministry for Foreign Affairs Iceland, Hrund Hafsteinsdóttir Counsellor	EEA Grant Programme 2014 – 2021	OS - Víðgelmir ok
	10:30	Málfríður Ómarsdóttir Editor of UNU GTP - Environmental Specialist Lúðvík Georgsson Director UNU	Activity of United Nation University Geothermal Program Tour around UNU	OS – Víðgelmir ok
	11:30	Lunch break	OS	OS
3 Oct. Tuesday	12:45	Baldur Pétursson, Manager International Projects & PR, OS	Geothermal - Poland Icelandic - cooperation	OS – Víðgelmir
	12:55	Dr. Sc. Beata Kępińska MEERI PAS, Poland	Geothermal options in Poland	
	13:15	Geothermal Cluster in Iceland, Viðar Helgason	Cluster possibilities	
	13:30	10 min sharp - various presentations from companies	Key elements of each company	
	13:40	Verkís		
	13:50	Mannvit		
	14:00	Efla		
	14:10	Alvarr		
	14:20	Jarðboranir,		
	14:30	Matís - Geothermal and food		
	14:40	Sölufélag Garðyrkjumanna	Xx	
	14:50	HR		Gk@sfg.is
	15:00	Orf Líftækni		Ingi@orf.is
	15:15	HR,		
	15:25-16:30	Coffee, Networking		
	16:00-16:30	Working group meeting	Main partners	OS
	16.30	Back to hotel	By bus	
	17:45	From Hotel to glacier	By bus	
	18:00	Glaciers and Ice Cave	By bus	agent@perlanmuseum.is ok
	19:00	Dinner		Út í bláinn restaurant ok
	21:00	Back to hotel	By bus	Hotel Klettur

Date	Time	Name	Focus	Location / contacts
4 Oct. Wednesd.	8:00	Departure from Hotel	By bus	
	8:15 – 9:00	District Heating – Municipality Seltjarnarnes	Small district heating system	Hitaveita Seltjarnar. Austurströnd 2 Gísli ga@seltjarnarnes.is 822-9113, 595-9100 ok
	9:30-10:00	Snow meting - Tradarkot		Oskar Verkis
	10:15–11:15	Reykjavík Energy OR Einar Gunnlaugsson Resource Manager	Control room Reykjavik District Heating	Orkuveithúsið Olof Snæholm olofs@or Hildigunur ok
	11:30-12:00	Hellisheiðarvirkjun Departure from Hellisheiði	Geothermal Power Plant and Heat	Location Hellisheiði Tel: 591-2880, ok
	12:30	Lunch break		Hotel Örk Hveragerði jakob@hotelork.is
	14.20	Friðheimar – Reykholt, Biskupstungum	Geothermal in Agriculture 29 persons	Contact, 486 8894 Jónina fridheimar@fridheimar.is ok
	15:00	Geysir	Golden Circle	
	16:00	Gullfoss	Golden Circle	
	18:00	Arrival at Reykjavik -		Hotel Klettur
	20:00	Dinner		xx
Date	Time	Name	Focus	Location / contacts
5 Oct Thursday	8:30	Departure from Hotel	By bus	
	9:00 – 9.30	Lambhagi – Greenhous agriculture		Hafberg Þorisson Reyk. hafberg@lambhagi.is ok
	9:45-10:15	Landsvirkjun National Power Company		<u>Jon.ingimarsson@landsvirkjun.is</u> mail
	11:00-11:30	Reykjanes Resource Park HS Orka presentation		Ásdís Gíslason ag@hsorka.is mail
	11:30-11:45	Stolt Sea Farm Iceland Fish farming		Ólafur Arnarson / Hjörleifur oar@stoltseafarm.com hth@stoltseafarm.com mail
	11:50 -12:30	Blue Lagoon cosmetics and health - presentation		Blue Lagoon Magnea Guðmundsdóttir, PR Director, magnea@bluelagoon.is
	12:30-13:00	Launch Blue lagoon Blue lagoon – Spa		Holmfridurk@bluelagoon.is mail
	13:00-15:00 16:00	Back to Reykjavik	End of program that day	Hotel Klettur
Date	Time	Name	Focus	Location / contacts
6 Oct Friday				
	9:30	Working meeting	Main Partners / taxi	OS Afhellir
	11:30	Launch	OS	End of formal program
	16:00	Departure from Hotel to Kef.	By bus	Keflavik Airport

Task 3. Study visit to Iceland Dates: 2 – 6 October 2017

Planned program in brief: working meeting, getting acquainted with good practices of geothermal district heating and establishing contacts between representatives of project partners aimed at cooperation within the Project and the possibility of future bilateral cooperation and projects. Visiting selected facilities geothermal district heating and other installations; Establishing contacts; Gathering information for the purpose of implementing the Project.

Participants: representatives of Polish partners, towns, experts, EGEC, NEA (organiser), observers (costs of observers not included into Project budget)

Flights – Polish group:

Arrival to Keflavik: 2.10.2017, 19.50 (flight from Katowice/Poland 17.15, Wizzair)

Departure from Keflavik: 6.10.2017, 20.30 (flight to Katowice, Wizzair /arrival to Katowice 7.10, 02.45)

EEA Project, Poland: Study Visit to Iceland – List of participants

	Name, surname	Institution
1	Beata Kępińska	Mineral and Energy Economy Research Institute, MEERI PAS
2	Krzysztof Galos	MEERI PAS, director
3	Aleksandra Kasztelewicz	MEERI PAS
4	Grażyna Hołojuch	MEERI PAS
5	Maciej Miecznik	MEERI PAS
6	Leszek Pająk	MEERI PAS
7	Robert Skrzypczak	MEERI PAS
8	Roman Kaczmarczyk	Łądek Zdrój Town – Mayor tbc (he or another person)
9	Henryk Brzyszczyk	Konstantynów Łódzki Town - Mayor
10	Michał Szcześniak	Municipal Enterprise Konstantynów Łódzki Ltd., deputy technical director
11	Piotr Osiecki	Sochaczew Town – Mayor
12	Dariusz Dobrowolski	Sochaczew Town – deputy Mayor
13	Anna Ogórek	Expert
14	Sławomir Jankowski	Expert
15	Michał Stefaniuk	AGH University of Science&Technology, AGH UST
16	Bartosz Papiernik	AGH UST
17	Tomasz Sliwa	AGH UST
18	Stanisław Nagy	AGH UST
19	Barbara Kielczawa	Wrocław University of Science & Technology, WUST
20	Elżbieta Liber-Makowska	WUST
21	Thomas Garabetian	European Geothermal Energy Council, EGEC /other flight on 2 Oct, departure 5 Oct)
<i>Observers:</i>		
22	Roman Wójcik	National Fund for Environment Protection & Water Management, Poland (NFEP&WM), deputy president of the BoD
23	Izabela Dobrowolska	NFEP&WM
24	Katarzyna Mróz	Ministry of Environment, Dept of Geology and Geological Concessions, Div. of Hydrogeology and Engineering Geology, head (name of prs tbc)
25	?	Tbc – Ministry of Environment

Planned general program: working meeting, getting acquainted with good practices of geothermal district heating and establishing contacts between representatives of project partners aimed at cooperation within the Project and the possibility of future bilateral cooperation and projects. Visiting selected facilities geothermal district heating and other installations; Establishing contacts; Gathering information for the purpose of implementing the Project.
